

Skatepark Rules

1. All persons within the fenced area must be alert and exercise common sense. Skateparks are prone to flying object and bodies. Enter at your own risk and know your abilities and skate within them.
2. Proper use of protective gear (wrist guards, elbow and knee pads) is strongly recommended. Helmets are required at all times.
3. The skatepark surface is extremely dangerous when wet, so please use caution.
4. Spectators, please watch from outside of the fenced area.
5. Graffiti or defacement of this facility is prohibited.
6. Alcohol and/or drugs are prohibited.
7. Help keep your skatepark clean by using the trashcans and keeping food and drink outside the fence.
8. Please be considerate of the surrounding property and neighbors by skating only inside the fenced area and avoiding excessive noise.
9. Keep pets safe by leashing them outside the fenced area.
10. Skate safe and have fun. For more information call Grand Junction Parks and Recreation at 254-FUNN.
